Subject: Updated Q&A List
West Lake - EPA Decision Press Event - Potential Questions Rev 3.docx

Brad:

As I mentioned in a previous email, here is the expanded list of Q&A anticipated. The yellow highlighted ones are those that COL Sexton would potentially receive. Some were already included in the ones you are currently vetting. Several are new questions.

Please vet the remaining ones through your folks and please provide feedback, if possible, by COB tomorrow as we will be prepping COL Sexton Friday morning for the press event.

Thanks,
Robyn
